

MK Fufu — Technical Rider

Su Bunjamin & Kyle Abbott · Tsugaru Shamisen Duo

booking@shamisen-music.com · shamisen-music.com

Performance Setup

MK Fufu performs with minimal technical requirements. The following is required for amplified performances. For fully acoustic performances, only seating is required.

Seating

2 standard chairs without armrests, positioned center stage or as agreed with the event producer. Standard dining chair height (approximately 17–18 inches / 43–46 cm) is ideal.

Sound (amplified performances only)

2 condenser microphones on adjustable boom stands, positioned in front of each performer at instrument level. Microphones, stands, and cables provided by venue. No direct input (DI) boxes or additional equipment required.

Green Room

A private space is required for all performances for dressing and instrument preparation. The green room must be available at least 30 minutes before the performance. Adequate space for two instrument cases is required.

Not Required

Amplifier, monitor speakers, keyboard, music stands, sound check, or any additional equipment beyond the above.
